Summary: This is a batch of Support Conversations with a twist: have all FE games get crossed over between continents. Any requests welcome! Current chapter: Lyndis x M!Avatar. Character list will change when new chapter is up. ABANDONED! Up for adoption!

Chapter 1: Neimi x Brady

OK, I decided to write Support Conversations of my own with a twist: use characters from different places, so that means it's a crossover between continents! So…let's begin with my recent pairing: Neimi x Brady. Also, to clarify, if the supports are male x female, there will be S supports. If there are male x male or female x female, there will only be A Supports.

Also, a key:

*** = action**

( ) = speaking under breath

Disclaimer: I don't own Fire Emblem nor its characters.

Enjoy!

Neimi x Brady

Neimi: WAAAHHH! *sniff* My knee! Waaahhh!

Brady: Hey, you all right?

Neimi: Um…EEEK! WAAAHHHH!

Brady: Hey! What's da matter?! Why are ya crying?

Neimi: *sniff* P-please leave me alone! Please don't hurt me! Waaahhhh!

Brady: What?! Hurt you?! I won't hurt you.

Neimi: *sniff* B-but you look scary…

Brady: Hey, just 'cause I look scary doesn't mean I'll hurt you. Besides… *sniff* you're making me cry too.

Neimi: Wh-what?

Brady: *sniff* Aw, great. Now I'm crying too! *leaves*

Neimi: …Did he just cry…?

Support B

Neimi: Um…excuse me…

Brady: Whaddya want?

Neimi: Oh! Um…I just wanted to talk to you…

Brady: OK…what's up?

Neimi: I…I wanted to thank you for checking on me when I was crying…

Brady: No sweat! I just hate to see a poor lil' girl cryin' like that!

Neimi: Well…thank you. I also have a question…

Brady: Yeah? Fire away.

Neimi: …Did you cry?

Brady: What?! Of course I cried! Everyone does, right?

Neimi: But…you cried over me crying…

Brady: Well, like I said, I hate seein' lil' girls cryin'.

Neimi: I…see…

Brady: Listen, whenever you feel hurt or wantin' to cry, come see ol' Brady, OK?

Neimi: T-thank you…

Support A

Neimi: WAAAAAHHH!

Brady: What the?! Are you OK , Neimi?!

Neimi: Oh…*sniff*…Brady…

Brady: Did someone hurt you?! Did someone said something mean to you?!

Neimi: N-no…I just had a scraped knee.

Brady: …Oh.

Neimi: S-sorry for alerting you…

Brady: Nah, it's OK. I'm just glad that you're OK. Scared me though.

Neimi: Sorry…

Brady: Hey, don't be! It's perfectly OK to cry over a…a bruised knee.

Neimi: You…you think so…?

Brady: Yep. Now hold on; gonna heal you…

screen fades to black, then conversation continues

Neimi: Th-thank you, Brady…

Brady: No sweat. If you get hurt again, come see ol' Brady, OK?

Neimi: O-OK…

Brady leaves

Neimi: I-I think I found someone who understands my crying…

Support S

Neimi: Brady…

Brady: Oh, Neimi! What's up?

Neimi: Sorry for asking, but why did you cry the other day when I first met you?

Brady: Oh, that time? Well…hmm…(how can I explain this…) Well, I'm just sentimental.

Neimi: Sen…timental?

Brady: Yeah. I cry easily, so…(Geez, this is embarrassing…telling a girl who cries a lot about how a man like me cries a lot…)

Neimi: I just heard what you said…

Brady: Wh-what?!

Neimi: Don't be embarrassed. I'm…just glad that I found someone who shares the same weakness as I do.

Brady: Weakness?! Er…y-yeah. We have some things in common…

Neimi: Tee hee.

Brady: What's so funny?

Neimi: It's just that you're a fun person to hang out with, Brady. I like you…

Brady: …So do I. In fact, I got somethin' for ya.

Neimi: Hm? *gasp* It's a ring!

Brady: Yeah…I'm madly in love wi' you…would you marry me Neimi?

Neimi: Oh yes! Thank you! *sniff*

Brady: Hey, hey, no cryin'. *sniff* You're making me cry too…

And that's all. Stay tuned for more! Also, if you have a request for a crossover support conversation, go right ahead and ask. I may be able to write it…if I'm not too lazy XD

Micaiah: Eek! Let me go!

Soldier: You think you'll get away, Silver-Haired Maiden?!

Roy: HEY! Leave her alone!

Soldier: Aw damn it! We got company! Soldiers! Kill this kid!

Roy: I like to see you try!

screen goes to black, then conversation continues

Roy: Are you OK?

Micaiah: Y-yes. Thank you for saving me…

Roy: It's nothing. I can't turn my back on someone who needs help.

Micaiah: Thank you. My name is Micaiah. What's yours?

Roy: I'm Roy, Duke of Pherae.

Micaiah: It's nice to meet you, Sir Roy.

Roy: You don't have to call me that. Roy's fine.

Micaiah: Ah, OK.

Roy: Anyway, what were those men talking about this Silver-Haired Maiden?

Micaiah: They're…they're after me.

Roy: You? Wait…you're the Silver-Haired Maiden?

Micaiah: Yes…

Roy: I've heard a lot of good things about you. Healing others…helping villages…you're a good person.

Micaiah: Thank you…

Roy: If you need something, come see me, OK?

Micaiah: I will. Thank you Roy…

Support B

Micaiah: Roy. I saw you on the battlefield…

Roy: Yes?

Micaiah: You were wonderful! How you swing your sword, how you fought…

Roy: My father taught me a lot of things. He's a master at swordsmanship.

Micaiah: I see…

Roy: My father's too ill to teach me now though…I'm worried about him.

Micaiah: Oh dear. I'm so sorry…

Roy: It's OK. He's still alive and well.

Micaiah: That's good. If you want, I can help him heal.

Roy: With a staff?

Micaiah: I…I don't have a staff. I use my energy to heal.

Roy: …Oh.

Micaiah: I can't do it all the time though; Sothe said that it'll kill me if I use it too much.

Roy: I see. Well, be careful, OK?

Micaiah: Yes. Thank you, Roy.

Support A

Roy: Ow…my leg has a HUGE cut…Marth's going to FLIP OUT when he sees this…

Micaiah: Roy. Are you all right?

Roy: Oh! Micaiah! Uh…yeah, I'm fine.

Micaiah: Oh, all—*Gasp* Your leg! What happened?!

Roy: It's a long story…my sword accidentally cut it open…but I'll be fine.

Micaiah: But you're bleeding heavily! It could be infected! Let me help you…

Roy: No. Don't. You'll exhaust yourself.

Micaiah: I want to help you, Roy. After you saved me from those soldiers, I wanted to return the favor. Now hold still…

screen fades to black, then conversation continues

Roy: That's…that's incredible! I never knew that you could heal with your hands without a staff!

Micaiah: Ughh…

Roy: …Micaiah?

Micaiah collapses

Roy: Micaiah?! Are you OK?! Someone! Get a healer, quick!

Support S

Micaiah: Ugh…where…where am I?

Roy: You're in the infirmary. Are you OK?

Micaiah: R-Roy…yes. But what happened?

Roy: You passed out after you healed me. …I was so worried that you…

Micaiah: Oh, I see…thank you for caring for me.

Roy: It's nothing. I'm glad that I could help a…a good friend… *blushes*

Micaiah: Roy? Are you blushing?

Roy: Y-yeah…it's just that…er…

Micaiah: *giggles* I understand. I…I like you too.

Roy: *blushes harder* R-really? That's great! I…I actually love you more than anything, Micaiah…I'm glad that I met you…

Micaiah: Me too, Roy…

Roy: I actually got you something.

Micaiah: *gasp* It's a ring! Roy…are you…?

Roy: Yes. Micaiah, would you marry me?

Micaiah: Oh yes! I do want to marry you! Oh Roy! This ring is so beautiful… *sniff*

Roy: Hey. Don't cry. It's going to be OK…I'll do anything to protect you.

Micaiah: And I'll do anything to help you, my love…

And that's all! Requests are still open! Fire away if you can!

Lucius: Oh Saint Elimine, may our army be safe…

Libra: Hello. Are you praying too?

Lucius: Yes, ma'am. I'm praying for our safety.

Libra: …I'm a man.

Lucius: …What?

Libra: You called me "ma'am", but I am male.

Lucius: Oh! I am so sorry sir! No offense, but you look feminine…

Libra: I feel the same way to you too. Haha…

Lucius: Haha. We have something in common.

Libra: Yes. My name is Libra.

Lucius: I'm Lucius, it's nice to meet you, ma—er, sir.

Libra: It's OK. Many people mistook me for a woman.

Lucius: Me too…

Libra: Haha. We do have in common after all.

Lucius: Yes. We do.

Support B

Libra: Hello, Lucius.

Lucius: Hello, Libra. How are you doing?

Libra: I finished my praying for this army's safety. By the way, what god or goddess do you pray to?

Lucius: I pray to Saint Elimine. What about you?

Libra: I pray to Naga.

Lucius: Naga?

Libra: Yes. She had protected mankind many years ago.

Lucius: I see. Saint Elimine is a beautiful and caring woman who fought in The Scouring.

Libra: Interesting…maybe one day we could pray together.

Lucius: I like that. I hope we can do so.

Libra: Yes.

Support A

Lucius: …

Libra: Hello Lucius. Are you praying to Saint Elimine?

Lucius: Yes. It doesn't hurt to pray many times for this army's safety.

Libra: All right. If you don't mind, would I pray with you?

Lucius: Why, yes! Maybe we can pray to both goddesses.

Libra: That would be splendid. Let's try.

Lucius: …

Libra: …

Lucius: …

Libra: …Thank you Naga, for your kindness.

Lucius: …Thank you Saint Elimine, for your help.

Libra: What did you pray about?

Lucius: I prayed to her that she'll keep us safe.

Libra: So do I. I hope both of our prayers will come into play and protect us.

Lucius: Me too. …It's nice to pray with you, Libra.

Libra: It is. I hope we can do it again.

Lucius: Yes.

Sorry if Lucius (and maybe Libra) is OOC; I barely knew him because I hadn't completed FE7 yet… *shot*

So, that's all! And requests are still open!

Sain: Would you be kind as to have dinner with me?

Inigo: HEY! WOMAN-STEALER! I WAS ABOUT TO ASK HER THAT!

Sain: Whoa! What's with the yelling there?

Woman: … *runs away*

Inigo: Oh, now look what you've done! You scared her away!

Sain: You're the one who yelled! YOU scared her off!

Inigo: Oh, so I'm supposed to just stand here and wait for you to take her in your arms?!

Sain: She was MINE! We were fated to be in love!

Inigo: Oh give me a break. I'm leaving! *leaves*

Sain: WAIT A MINUTE! …Shoot, he's gone. *sigh* Apparently I made a new rival…

Support B

Inigo: YOU!

Sain: What?! What did I do this time?!

Inigo: I have my eyes on that girl, and then you came along and took her away from me! I was so close as to ask her out!

Sain: *sigh* Listen, you don't have to be all mad at me. We're in the same side, so why can't we just get along?

Inigo: Not if you keep taking girls away from me! Now listen here, craven. I decided…I CHALLENGE YOU TO AN EATING, A FIGHTING, AND AN EXERCISE CONTEST!

Sain: Wait, what? Contests? *sigh* Inigo, this is no time for—

Inigo: Would you like to sweep women off their feet? Would you like to be popular with women? Well. If you're not accepting my challenge, you will get NONE of those!

Sain: Wh—what?! Oh, I'll show you! Bring it!

Support A

Inigo: Now…the fighting contest!

Sain: All right! Bring it on!

screen goes to black, then conversation continues

Sain: *huff huff* Is…is that the best…you can do…?

Inigo: *huff huff* Oh…I…I have plenty of energy… *wheeze* Now…the exercise contest!

screen goes to black, then conversation continues

Sain: *wheeze* I'm…not…giving up…

Inigo: *wheeze* We're…not done…yet…EATING CONTEST!

screen goes to black, then conversation continues

Sain: Uuuugh…*burp!* Can't…eat…another bite…

Inigo: Urrgh…yeah…me too…

Sain: …You know, I think we shouldn't be mad at each other…even though we both love women, I think…that we should be friends…

Inigo: You…you think so…?

Sain: Yeah...

Inigo: …Gah…I ate so much that I'm gonna…BLEEEEH!

Sain: Oh! Not on the floor! Here…have some water.

Inigo: T-thanks…*sip* Y'know, you're not bad.

Sain: I feel the same way. Friends?

Inigo: Friends. Now...who's up for another contest for the women?

Sain: *sigh*

And that's it for now! I can totally see Sain and Inigo having a rivalry over women XD

Enjoy!

MarthxRoy

Support C

Marth: Roy. Are you feeling well?

Roy: Yes. Just finished with my training. I'm a little exhausted…

Marth: You should rest. I don't want you to collapse from exhaustion in the middle of the battlefield.

Roy: I know. It's hard to rest though; a battle might break out at any time.

Marth: Yes. But you should still rest when you get the chance.

Roy: …All right.

Marth leaves

Roy: …He's been worried about me ever since this war started…I don't want him to be watching every move I make…

Support B

Marth: ROY! WHAT WERE YOU THINKING?!

Roy: Marth?! What's wrong—

Marth: You rushed to the front lines! You were almost killed!

Roy: Marth, I—

Marth: Don't "Marth" me! You scared me! You could've been hurt or worse! You—

Roy: MARTH! Can you let me finish what I have to say?!

Marth: *slaps him*

Roy: You…you slapped me…

Marth: Roy, I didn't mean to—

Roy leaves

Marth: ROY! Wait! …What have I done?

Support A

Marth: Roy…

Roy: …

Marth: I wanted to apologize for slapping you.

Roy: …

Marth: I know that you're mad, but you have to listen to me.

Roy: …All right. What?

Marth: The reason why I'm so worried about you is…I don't want to lose you.

Roy: …What?

Marth: I remember that I lost my older sister for two years. I wasn't sure if she was alive…I also had a good friend who betrayed me…I have to kill him…

Roy: M-Marth…I…

Marth: I was so worried that I'll lose you too. You're…you're my best friend…my brother…if I lose you, I'll be heartbroken…

Roy: Marth…I'm so sorry. I should've known…

Marth: It's OK. You didn't know. I should've explained to you why I was like this.

Roy: I understand.

Marth: Roy. You will always be my brother. No matter what. All right?

Roy: Yes. I feel the same way, brother…

Support S—Nah I'm just kidding! XD I know that Marth might be OOC, but in my headcannon, he's always overprotective to his friends, including Roy, his best friend.

Roy: …All right, fa—I mean, Sir Eliwood…it's awkward to me calling my own father his name…

Eliwood: It's OK. I don't mind you calling me "Eliwood". Now, what do you want?

Roy: I was just wondering if you can spar with me.

Eliwood: Oh.

Roy: I heard many stories about your adventures twenty years ago.

Eliwood: Really? Who told you all that?

Roy: Mother.

Eliwood: I see.

Roy: I wanted to see you in battle, so I can learn a thing or two from you.

Eliwood: Well, if you're ready, we can.

Eliwood: Yes… …

Roy: W-what happened to him?

Eliwood: He's…he's dead.

Roy: …Oh.

Eliwood: I…see…

Roy: I felt that one day…you…*sniff*

Eliwood: Roy…I'm so sorry that happened to me.

Roy: I wish that I could do something to help your future self…

Eliwood: Roy. There's nothing you can do.

Roy: Wh-what?

Eliwood: I understand that you love me very much, but one day I have to go. I can't live forever.

Roy: I know, but…*sob*

Eliwood: Shhh…it's OK, son. Daddy's here now. It's going to be all right.

Roy: *sniff*

Eliwood: Roy. I love you. You'll always be my little boy. Even if I die one day…I will always watch over you.

Roy: I love you too, father…I will cherish every moment with you whenever I can…

Robin: Hmm…now where do we go this time…?

Mark: You are a Tactician, are you not?

Robin: Hm? Yes. And you are?

Mark: I'm Mark. I'm also a Tactician.

Robin: Ah, I see. I am Robin. It's nice to meet you, Mark.

Mark: It's nice to meet you too, Robin. …Say, are you looking at a map?

Robin: Yes. I am looking at this map to see which path is easier to travel. Here, we have three paths: a mountain, a rocky path, and a normal path.

Mark: Hmmm…I think the mountains would be good.

Robin: Really? I think the normal path is the best path. It's faster that way.

Mark: If we go to the normal path, enemies might ambush us. Going to the rocky path is also dangerous: there are rock slides that could crush us. So the mountains, although slower to travel in than the rock and normal paths, is the safest route.

Robin: Wow! That's incredible! I never thought of that! I guess you are a Tactician after all!

Mark: Thanks. Maybe we could study together.

Robin: I agree. Tomorrow, we'll start. Let's do our best together!

Mark: Yes!

Mark: …

Robin: …CHECKMATE!

Mark: Dang it! I was so close too!

Robin: Hee hee. You'll win soon. Don't worry.

Mark: I know…you're very smart Robin.

Robin: Why thank you. You're smart too. You nearly took away almost all of my army men in chess. Hahaha.

Mark: Hahaha. It's been fun studying with you, Robin.

Robin: Yes. We continue tomorrow, OK?

Mark: Yes ma'am!

Support A

Mark: Hm…if we go there…

Robin: Looking at the map, Mark?

Mark: Yes. I have some trouble figuring out where the army goes next.

Robin: Hmm…maybe the normal path is good.

Mark: Really? I thought that the mountains will be better…

Robin: So far, there are no enemies around, plus the mountains are covered in snow. What if someone slipped and fell to their death?

Mark: …You're right. I can see that. You outwit me once again, Robin. Hahaha.

Robin: Don't worry. You can catch up soon—Mark! Be prepared to fight!

Mark: Huh? Why?

Robin: Enemies approach! And we're far from camp!

Mark: Oh no…I…I don't have a weapon.

Robin: What?!

Mark: Tacticians can't fight where I am. I'm sorry if I'm not any help…

Robin: Don't worry about it. But now, stay behind me!

Support S

Robin: Uggh…

Mark: Robin. I'm so sorry! If I had watched my back, you wouldn't be all cut up like this!

Robin: It's all right, Mark. The most important thing is is that you're safe.

Mark: Thanks for protecting me, Robin. I owe you my life.

Robin: I should thank you, too. You carried me back to camp when I was injured.

Mark: It's nothing. …Say Robin?

Robin: Yes?

Mark: We've been studying together for weeks now, right?

Robin: Yes. Is something the matter?

Mark: Well…I… *blushes* Ireallyreallylikeyou!

Robin: What? You're talking too fast. Slow down.

Mark: Sorry. I really like you, not as a friend, but as a lover.

Robin: Oh…

Mark: Ever since I laid eyes on you, I fell in love. Robin…here is something I got.

Robin: *gasp* It's a ring! Mark…

Mark: Robin. I love you. Will you marry me?

Robin: Oh yes! Oh Mark, I love you too!

Mark: Hehe…

Mark's confession screen pops up

"Me and you are a great pair. Together, we'll both become great Tacticians in all of Ylisse and maybe even the world!"

I know that this one seems boring, but I actually ran out of ideas for these supports. Hehehe…

Well, I'll try for now on that I'll update every day, or if it's a good day, maybe twice!

Ewan: You sure?

Ricken: Yeah. I believe in you!

Ewan: Thanks, Ricken! You know, you're a pretty cool guy.

Ricken: Really? Thanks, Ewan.

Ewan: Yeah. I'm glad that you're teaching me magic. In fact, I consider you as my brother!

Lon'qu: When I first laid eyes on you…I'm…I'm in love.

Florina: Wh-what?

Lon'qu: I'm in love with you. When you were attacked by those soldiers, I was furious. I can't see my love be harmed by someone.

Florina: I-I see…

Lon'qu: Florina. I have something for you.

Florina: A-a ring? Lon'qu…

Lon'qu: Florina. I don't want to live with this fear anymore. Would you marry me?

Florina: Y-yes! I wanted to stop being scared of men, so this is the best way…I love you, Lon'qu…

Lon'qu: I love you too, Florina. May we conquer our fears…together.

Eh…I barely knew Florina, except for the fact that she's scared of men. I don't know how I can have these two interact if they're scared of each other, so sorry! *sweatdrop*

Ninian: I-I'm fine, Roy. Just a little sick…

Roy: Sick?! Hang on, I'm going to find a healer.

Ninian: Don't worry about it Roy. It's just a cold.

Roy: But you could feel worse! Now let me go find a healer. Stay here, mother.

Roy leaves

Ninian: Why…why is he so worried about me getting sick?

Support B

Ninian: Ow…

Roy: Mother! Are you OK?!

Ninian: Yes, Roy. I'm fine. I just hit my head on the wall.

Roy: You need to be more careful, Mother. You would end up cracking your head open!

Ninian: Roy…you shouldn't be worried about me.

Roy: I am worried! I don't want to…lose you… *sniff*

Ninian: Roy? Are you all right?

Roy: I…I'm fine… *sniff* Just need some rest…

Ninian: I was thinking about the other day, when you were crying…

Roy: I wasn't crying, Mother. I just had…I just had hay fever…

Ninian: But you were so protective of me…Roy, did something happen to me in the future?

Roy: I…yes.

Ninian: Oh?

Roy: You died when I was young…you were at a young age, but you look so old…you have wrinkles…you were sick…

Ninian: Roy…

Roy: Father said it's because you are a dragon...I… *sniff*

Ninian: Roy. Don't cry. Boys don't cry.

Roy: I know, but…if I haven't been born, you would still be alive…

Ninian: Roy…I'm so sorry I left you when you were so young…but there's nothing you can do about it. No matter what happens, I will die. But that doesn't mean I don't love you. You will always be my little boy.

Roy: Oh Mother! Mother! *sob*

Ninian: Shh…don't cry, son. It's going to be OK…

Roy: Mother…I love you. I'll never forget you…

Ninian: I love you too, my little boy…

Chapter 11: Fae x Myrrh

Hey guys. Sorry for not updating this story for a couple of days. Me and my family went on vacation last weekend, and although my aunt did have Internet, I don't want to mess with her stuff and write a story there. Hope you guys understand :)

Anyway, requested by archsage328, here is…FaexMyrrh!

Myrrh: Yes…and you are?

Fae: Fae's name is Fae! What's your name?

Myrrh: M-my name's Myrrh. …Your wings…are you a Manakete too?

Fae: Fae is actually a Divine Dragon! Fae loves to be a Divine Dragon!

Myrrh: I see…

Fae: Hey! Can we play soon?

Myrrh: …Play?

Fae: Yeah! We can play hide-and-seek or tag!

Myrrh: …I'll think about. Thank you for the offer, though.

Fae: Yay!

Support B

Fae: Tag! You're it!

Myrrh: *giggle* I'll catch you!

screen fades to black, then conversation continues

Fae: That was fun!

Myrrh: Yes. I hope we can play again. It…brings back good memories…with my father…

Fae: You have a dad? Fae doesn't have any parents…

Myrrh: I see…well, let's play another time, Fae.

Fae: Yay!

Support A

Fae: Myrrh! Let's play hide-and-seek!

Myrrh: Yes. But I want to talk to you about something.

Fae: Yeah?

Myrrh: What happened to your parents?

Fae: Oh, Fae doesn't know. Fae was asleep for many, many years. What about your dad?

Myrrh: …My father…*sniff*

Fae: Huh? Oh no! Fae's sorry for making you cry!

Myrrh: It's OK…it's just that…I had to kill my father…

Fae: …Oh.

Myrrh: He was a zombie, and nothing can be done to cure him…I felt so bad for killing him…*sniff*

Fae: …Fae knows! Let's be sisters!

Myrrh: Hm?

Fae: We can be sisters! Neither of us have families, so let's be sisters to make it up!

Myrrh: That…that would be great, Fae. Thank you for being my friend…

Fae: You're welcome, sister!

Fae: Huh? Why not?

Nowi: Whenever I have playmates, I always turn into a dragon. And they ran away…

Fae: Oh no! Fae's sorry!

Nowi: It's all right, Fae. I'm worried that you'll run away too…

Fae: Fae won't! Fae promises!

Nowi: You won't?

Fae: Yeah! Fae's a dragon too, so Fae's not scared of dragons!

Nowi: Thanks, Fae. You're the best friend any Manakete can ask for!

Fae: And you're the best friend any Divine Dragon can ask for!

Nowi: Yup! Now let's turn into dragons and play-fight!

Fae: Yay!

Chapter 13: Sain x Sully

I'm BAAAAAAAACK!

Sorry for not updating this for months…I have a lot of things happening. Plus I had no motivation to write more chapters for this. (My goal was to write at least 50 chapters for this story…)

So for those who was waiting for too long for this, I apologize for the wait! Anyway…

AnonymousSpeed has requested anyone with good old Sain, and I thought "Why not Sully just for the lolz?" So this is for you, AnonymousSpeed!

Sain: Oh my, what a beautiful woman…

Sully: Are you talking about me?

Sain: O, beauteous one, you are like a red rose growing in the middle of the beautiful meadow.

Sully: …What?

Sain: O, would you be so kind as to come along with me and talk?

Sully: I don't have time to talk to an idiotic man like you! Now get out of my way!

Sain: Oh, what a sharp tongue! Maybe we can spend time during dinner, hm?

Sully: HI-YA! *hits Sain over the head with a lance*

Sain: OUCH!

Sully: Talk to me like that again, and I'll skewer you alive like a pig! *leaves*

Sain: Ow…what a blow! Ah, so she is strong! I like that in a woman!

Support B

Sain: Ahh…there she is…training…

Sully: HIYAH! HIYAH!

Sain: My my…she does have a nice bottom…

Sully: EXCUSE ME?!

Sain: O, you beauteous one! So nice of you to notice me—

Sully: *slaps him across the face*

Sain: OW! What was that for?!

Sully: You're staring at my arse, you stupid man!

Sain: O, such a sharp tongue! I stare at your buttocks because they are so beaut—

Sully: ENOUGH!

Sain: GAH!

Sully: Listen, boy, if you keep staring at my arse again, I swear I'll kill you! Understood?!

Sain: Y-yes ma'am!

Sully: Hmph… *leaves*

Sain: …My my…she is beautiful…

Support A

Sain: Why hello there, beauteous one…

Sully: What do you want, you stupid man?!

Sain: Oh, I'm just saying hello. You don't have to yell at me…

Sully: Hmph…you've been following me like a lost puppy for a while now, and I'm SICK of it. Why don't you just leave me alone?!

Sain: Because I'm blinded by your beauty…I never see such a beautiful girl like you before, even though you don't act girly at all…

Sully: If you EVER follow me again, I'll KILL you. Understood?

Sain: Ah! Y-yes! All right…I'm leaving, I'm leaving… *leaves*

Sully: Hmph…

Support S

Sully: Ouch…

Sain: Oh my! Is something wrong, o beauteous one?

Sully: What do you want?

Sain: I see that you're injured…is it wrong for me to express concern for your well-being?

Sully: *sighs* I guess not…well, are you able to heal me?

Sain: I have a Vulnerary…is that good enough?

Sully: Huh…sure. Just hurry up and heal me, dammit.

Sain: All right, all right…

screen fades to black, then conversation continues

Sully: Huh…not bad.

Sain: Why thank you. I'll do anything for a pretty girl like you.

Sully: Y'know, you're not half-bad…for a man.

Sain: *laughs* Why thank you. I'm glad that I could help. …Hey, I know that this may come as a surprise to you, but…I have a little crush on you…

Sully: Really? Huh. And here I thought that you're just chasing me around for my arse…

Sain: No, no. It's more than that. You're different from all the other women I met. You're tomboyish, and you don't act girly. It's a nice change of pace for all the other girly girls around here.

Sully: Heh. Thanks, I guess. I hate it when girls act like they're weak and helpless…I wanted to change that by acting like a man…though I don't know if everyone would accept that…

Sain: …I do.

Sully: Hm?

Sain: I accept you acting like a man. I actually liked it. It makes you who you are.

Sully: …Y'know, you're right.

Sain: Here…I have something for you…

Sully: Oh…a ring.

Sain: Sully, will you marry me?

Sully: I…yes! Of course I'll marry you!

Sain: Th-that's great! I was worried that you might say 'no'…

Sully: Well, since you told me all that mushy stuff, I'm starting to like you. Now come here, my man!

Sain: Hehe…

That's it for now! SO SO SORRY for not updating this for months…School's in the way, writing other stories…yeah…

Thanks to all who never gave up on this story even though I hadn't updated in months. Makes me glad that I have awesome fans! *hugs you all and gives you all a cookie*

Chapter 14: Ike x Ephraim

And here's another crack pairing I made on a whim that I'll give Support Convos to: Ike x Ephraim

Also, I wrote this like…2 years ago, so if it's bad or if the characters are OOC, I apologize.

ENJOY!

Ike x Ephraim

Support C

Ephraim: You. With the blue, spiky hair.

Ike: Hm? What do you want, sir?

Ephraim: You are Ike of the Greil Mercenaries, are you not?

Ike: Yes. And you are...?

Ephraim: I am Ephraim, the prince of Renais.

Ike: Ephraim...I've heard tales about your courage and victories.

Ephraim: And I've heard tales of you liberating Crimea. That's impressive despite you not being of royal blood.

Ike: Yes. My father trained me in becoming a mercenary. It was hard work, but I managed to get used to it.

Ephraim: Hm. Your father must be a strong warrior.

Ike: ...Yes.

Ephraim: Hm? Is something wrong?

Ike: ...No. It's nothing. ...By the way, can we spar after tomorrow's battle?

Ephraim: Spar...with you?

Ike: Yes. I never admit this to my father, but I have trouble fighting against those with lances and spears.

Ephraim: ...Well, if you want, sure.

Ike: Thanks, your Highness.

Ephraim: You don't have to call me that. Ephraim's all right.

Ike: Right. Ephraim it is.

Support B

Ike: Whew! That was a good fight you put up, Ephraim!

Ephraim: You did well, too, Ike. You almost got victory over me!

Ike: Yes. Thank you for sparring with me. Now I know how to deal with enemies.

Ephraim: That's good. ...By the way, where is your father?

Ike: ...My father... ...

Ephraim: ...Ike? Is something wrong...?

Ike: ...It's nothing. I'm fine.

Ephraim: But you spaced out for a second. Are you sure?

Ike: YES! Now would you leave me alone, you dastard?!

Ephraim: ...What did you just call me?!

Ike: A DASTARD! I have no time with royal blood people like you! *leaves*

Ephraim: IKE! WAIT! ...What's wrong with him? Did I ask something that's not supposed to be brought up?

Support A

Ike: ...Ephraim.

Ephraim: ...Ike. Are you-?

Ike: I want to apologize the other day. I shouldn't have yelled at you like that...

Ephraim: ...All right, but why? It's not you at all...

Ike: ...My father...was killed.

Ephraim: Oh?

Ike: The Black Knight killed him. I saw it unfold with my own eyes...

Ephraim: Ike...I...

Ike: No, Ephraim. You don't have to apologize. My father would punish me for acting up like that in front of a prince.

Ephraim: I...I understand. But Ike, I should tell you this: my father is killed as well...

Ike: You too?

Ephraim: Yes. When Renais was invaded...my father was killed in combat. Eirika told me. I...

Ike: Ephraim...I'm sorry. I should've known...

Ephraim: It's alright, Ike. I didn't know that your father's gone, too.

Ike: ...Ephraim.

Ephraim: Yes?

Ike: ...Thank you for listening to my story. You're...a good friend.

Ephraim: It's nothing. I'm glad that we met, Ike.

Ike: Me too, Ephraim. ...Ephraim, is it OK if I could visit Renais?

Ephraim: Renais? What about your company?

Ike: They can come. I've heard how beautiful the sights of Renais are. It would be a good vacation for the Greil Mercenaries.

Ephraim: Heh. And maybe we can have a feast together. I heard you like ribs and steaks: Renais is famous for them.

Ike: Really? Well, I really can't wait!

Ephraim: You and the mercenaries will be welcomed, Ike.

Lucina: Hm? *turns to face him* Are you talking to me?

Lucina: Is something the matter?

Roy: U-uh…it's nothing…i-it's just that…I don't know.

Lucina: You have been avoiding me for quite some time. There's definitely something wrong.

Roy: Y-you noticed…? …Uh, gotta go! *leaves*

Lucina: Wait! …How strange…

Support A

Lucina: Hello again, sir.

Roy: Ah! Oh, um…hello, Lucina…

Lucina: Are you still nervous about me?

Roy: Uh…*blushes* N-no! Not at all! I-I just…

Lucina: Why are you avoiding me? Is something wrong?

Roy: Er…it's just that…when I first met you, I mistook you for my friend…

Lucina: Marth?

Roy: Y-yes! I-I know that he had this problem of others mistaking him for a woman, and…well…

Lucina: Ah, I see. When you mistook me for him, you felt embarrassed, is that right?

Roy: I…yes. That's right…

Lucina: …I see.

Roy: Well…I apologize for avoiding you all the time. Is there anything for me to make it up to you?

Lucina: No no. It's fine. I understand.

Roy: Heh…I'm glad that you understood. It's so embarrassing…

Lucina: Hee hee. It's all right.

Support S

Roy: Lucina?

Lucina: Yes, Roy?

Roy: Why do you dress like Marth?

Lucina: …It's a long story. But I can tell you if you have the time.

Roy: That's all right. Tell me.

Lucina: All right…

screen fades to black, then conversation continues

Roy: …I see. So you tried to disguise yourself when you went to the future, correct?

Lucina: Yes. My father had told me of the Hero King's adventures and heroics. I was inspired, and I wanted to be like him…

Roy: I see…

Lucina: I wish that I could be like him, though…I tried my hardest to do so so I can be accepted, but…

Roy: You don't have to.

Lucina: Hm?

Roy: I understand that Marth inspired you, but you don't have to be JUST like him. People like you for who you are.

Lucina: I…see. But who?

Roy: …Me.

Lucina: …You?

Roy: *blushes* Y-yes…er…

Lucina: Roy. You're blushing again.

Roy: *blushes harder* Oh! Uh…well…

Lucina: Roy…do you…like me?

Roy: I-I-I…yes! I-I do! I'm in love with you, Lucina. I love you so much.

Lucina: *blushes* R-really? That's…that's great…I…I felt the same way.

Roy: I-I got you something…

Lucina: A…ring?

Roy: Yes…it has my family crest on it. Lucina, will you marry me?

Lucina: Yes! I do want to marry you! Roy…I love you so much…I'm so glad we met…

Roy: I love you too, Lucina. May we spend our lives together forever…

Lyndis: Robin…?

Robin: Hm? Is something the matter, milady?

Lyndis: Do you remember the first time we met?

Robin: Yes. We were in Sacae when a group of bandits attacked. Chrom and I had to protect you.

Lyndis: No, no. I mean, the FIRST time we met.

Robin: …I don't remember such thing, milady.

Lyndis: …I see. You're still recovering from your amnesia. Forgive me. I shouldn't be pushing on such a memory.

Robin: It's all right.

Lyndis: Well, I have to go. Talk to you later, Robin.

Robin: All right. *Lyndis leaves* …Did we meet before?

Support B

Robin: Lyn.

Lyndis: Ah, Robin. Is something the matter?

Robin: I wanted to talk to you about something. Did we meet before?

Lyndis: I…yes. We did meet before. But you were named Mark…

Robin: Mark?

Lyndis: Yes…you look exactly like him…do you remember?

Robin: …Forgive me. I don't remember being called Mark.

Lyndis: All right. I'm sorry. I will take my leave. *Lyndis leaves*

Robin: …Mark? Was I really named that?

Support A

Robin: Lyn. How are you feeling?

Lyndis: I am feeling well. Thank you for asking Robin. Is something the matter?

Robin: I'm starting to remember about our time we met…

Lyndis: Really?

Robin: Yes… … … …I was knocked out in the plains of Sacae…when I woke up, you were there. You introduced yourself as Lyn…I introduced myself as…Mark.

Lyndis: You remembered?!

Robin: …And that's all I can remember…

Lyndis: …I see. You don't have to rush it. Take your time.

Robin: All right…

Support S

Robin: Lyn. I'm starting to remember everything now.

Lyndis: Th-that's great news! Tell me; what did you remember?

Robin: … … …We were fighting bandits near your home. I was your Tactician, and you fought against them. You then told me the story of the fate of your parents…

Lyndis: …

Robin: We then traveled together…meeting new people…Sain…Kent…Wil…Florina…Rath…Matthew…

Lyndis: …And do you remember the time we parted?

Robin: …Yes…After we reunited you with your grandfather, we parted. We said our goodbyes…

Lyndis: And do you remember the time we reunited?

Robin: Yes...I was with Eliwood…you were so happy to see me…

Lyndis: I see…

Robin: And when the war's over…I remembered how much I loved you…

Lyndis: Ah, I under—wait, what?

Robin: When we said our goodbyes one last time, I remembered how much I loved you…

Lyndis: Wh-what are you trying to say, Robin?

Robin: Lyn…I love you. We knew each other for so long…I'm sorry that I couldn't remember that a long time ago…

Lyndis: Robin…I…I wanted to tell you the same thing the last time we met…I love you too.

Robin: …I got you something.

Lyndis: ?! A ring!

Robin: Yes. Lyndis, will you marry me?

Lyndis: Yes! Of course I'll marry you! Robin…you don't know how happy this makes me.

Robin: Heh…I'm glad.

Lyndis: Robin…there's something I wanted to tell you…

Lyndis' confession screen pops up

"I'm so happy that we meet each other again…may we stay together as one…forever…"

D'awww. And to clear confusion, I'm trying to break the fourth wall so that the Avatar/Robin could possibly be Mark, which both of them, they're the player. Plus, if you read the recruitment dialogue with Lyn in the DLC, she would reference Robin as Mark (indirectly).
